

Gavin Watson

Gavin Watson heads the asset management & pensions and insurance segments for RiskMetrics Group's Risk Management unit. He has served as a Senior Risk Advisor for market risk and as Head of U.S. Account Management. Watson has lead implementation projects for major buy-side clients.

Prior to joining RiskMetrics Group, Watson served as Vice President for 17 years at JP Morgan Securities, where he managed the US Treasury Zero Coupon trading desk and arbitrated US Treasuries, US Federal Agencies, and Financial Futures. He also managed Brady Bond collateral purchases for eight Latin American and Asian countries, as well as managing and pricing structured portfolio optimizations for In-substance Defeasance.

Watson has an MBA from the Amos Tuck School of Business at Dartmouth and a BA from Williams College.
