

RiskMetrics Group

Jeremy Perler

Jeremy Perler co-heads the CFRA Accounting Research product of RiskMetrics Group's Financial Research and Analysis unit. Perler also leads the Technology Sector research team. He is frequently cited in business publications such as *Barron's*, *BusinessWeek* and the *Wall Street Journal* and has made numerous appearances on *CNBC*. Perler was the Technology and Consumer Retail Sector Head at the Center for Financial Research and Analysis (CFRA) until its recent acquisition by RiskMetrics Group.

Prior to joining CFRA, Perler worked at PricewaterhouseCoopers auditing technology and media companies. Perler received a Master of Accounting as well as a BBA in Accounting and Finance from the University of Michigan, where he also taught undergraduate accounting. He is a CFA (Chartered Financial Analyst) Charterholder and a Certified Public Accountant (CPA).
