

John Deosaran

John Deosaran heads environmental, social and governance (ESG) analytics for RiskMetrics Group's Financial Research and Analysis unit. In his role, he oversees business development for ESG products, including corporate governance ratings and environmental and social screening solutions.

Prior to joining RiskMetrics Group, Deosaran spent twelve years with Thomson Financial, serving in a variety of roles within Thomson's First Call, AutEx, and ILX business units. For the past two years, he led the product management teams responsible for Thomson's investment banking and wealth management products.

Before Thomson, Deosaran worked in the Washington, DC office of Kidder Peabody. He holds degrees in marketing and logistics from the University of Maryland.
