

RiskMetrics Group

Marc Goldstein

Marc Goldstein heads corporate governance research in Japan for RiskMetrics Group's ISS Governance Services unit. Based in the Tokyo office since 2002, Goldstein oversees all proxy research and recommendations for Japanese corporations.

Prior to his role at RiskMetrics Group, Goldstein spent two years with a Japanese company in Osaka. Goldstein is a member of the Tokyo Stock Exchange Advisory Committee and was a member of the Tokyo Stock Exchange Corporate Governance Committee from 2002-2004.

Goldstein received his Bachelor of Arts in East Asian Studies from Wesleyan University and also holds a Masters degree in Economics from the University of Maryland. Additionally, he is a graduate of the University of Michigan Law School.
