

Niels Aalen

Niels Aalen heads international business for RiskMetrics Group's Financial Research and Analysis unit. In this role, he leads and manages the development of accounting and legal/regulatory research internationally, specifically across Europe.

Previously, Aalen spent several years working for the Institute of Chartered Accountants in England & Wales (ICAEW) in an EU lobbying role and then on the Institute's Research Board. After three years in investment research at stockbrokers Carnegie International, Aalen spent nearly a decade in Equities at Goldman Sachs in London, selling to UK and U.S. institutional investors and developing the commercial focus of the equity research business. Aalen also worked for several years with HSBC redesigning their global equities and research business and latterly in an Equities distribution management role.
